Licensing & Support

Technical Support

Support is provided by Interlogix for the connection and use of the 3rd party device(s) within TecomC4. For these enquiries, please contact us: support@interlogix.zendesk.com.

For support enquiries relating to configuration and use of 3rd party device(s) outside of TecomC4, please refer to the supplier and/or manufacturer of the device.

Online Registration and Licensing

TecomC4 and all applicable licenses can be registered online at www.interlogix.com.au/registerTecomC4

Software Upgrade and Support Plan (SUSP)

TecomC4 Software Maintenance is called SUSP (Software Upgrade and Support Plan). It is a 12 month contract which includes access to technical support and any software upgrades, patches and bug fixes that may become available for your licensed software during the active term of your maintenance agreement. For ongoing management of your site, you will be required to purchase a SUSP annually for the life of your system. Refer SUSP overview document for information (www.interlogix.com.au).
